

In advertising,
one strategy
does not fit all.

ADVERTISING INC

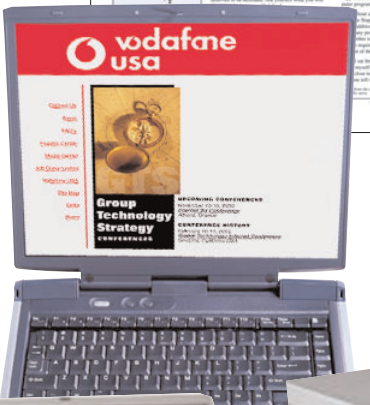

Image Advertising listens to your objectives and quantifies the steps necessary to get you to your goals, quickly and efficiently.

We're intuitive, and while our ingenuity sets us apart, we also understand the fiscal importance of assuring your advertising is an investment, not an expenditure.

Go to the team that delivers a perfect fit every time.

It's hard enough to get a client to approve an ad, much less write one for you.

From collateral to website design to high-level strategy, Image Advertising gives 100%. They're exceptional.

Jerry Feldman
CEO, CALLSOURCE

They work hard to interpret our goals and anticipate our needs. Image Advertising demonstrates integrity, does more than asked, and pays attention to detail.

Elizabeth Cilker Smith
VP of Property Development
CILKER ORCHARDS

Image Advertising is not your typical ad agency. They're more like my back-up team. They're all about getting the traffic and giving us what we need to lease a property. Image is an important part of our continuing success.
